5. No screws or nails to be used, only Prestik, Velcro or double-sided tape.

SHOW DAY SCHEDULE 2026

- Exhibitors will be allowed access to the exhibition venue on show day from 8am on the morning of the exhibition. Exhibitors have until 12pm to build and set up their stands.
- Our company staff members will be on-site to assist exhibitors in getting their stands set up and built and broken down and packed up after the show.
- The exhibition is from 1pm till 6pm.
- Security will be present on the evening of the exhibition for exhibitors who can only remove display equipment the following day.
- We ask exhibitors to remove all display equipment the following day by 12pm.
- Each exhibitor will receive a visitor register of who attended the show and a list of all the guests that were invited to attend. Dates are subject to change due to unforeseen circumstances.
- Company name and logo will appear on all our social media platforms and our company website. www.mining-expo.co.za
